

EVACES 2021

9th International Conference on
Experimental Vibration Analysis for Civil Engineering Structures

14-17 September, 2021

Young Researcher Award

This certificate is
conferred on

Sal Saad Al Deen Taher
for the paper titled
“Autonomous Multiple Damage
Detection and Segmentation In Structures
Using Mask R-CNN”

September 17th 2021
Tokyo, Japan

Chair of the Organization Committee

Ji Dang
Tomonori Nagayama
